## Proposed 2020 Anniversary weekend programme

Programme is based on being in Mahurangi Harbour on Saturday 25 January to watch various [Mahurangi Regatta](#) races including classic boat racing.

### Everyone is welcome to join this programme

If you are not able to bring a boat, or have not been invited to be a guest on a boat, we will endeavour to arrange for you to spend:

- a) the Saturday and overnight on board a boat **OR**
- b) just the Saturday on board a boat.

We are assuming that skippers and guests will arrive at Mahurangi aboard their boat, probably on Friday 24 January.

### Friday 24 January 2020

Boats arrive in Mahurangi Harbour (**early** Saturday is also OK)

### Saturday 25 January 2020

Day and overnighing visitors collected by boat from Sandspit at 0900 and transported to Mahurangi to join other boats.

Boats positioned to watch racing which starts after 1200 noon. See the race programme by clicking [here](#).

Fellowship (BYO) at 1700 and spit roast dinner at 1800 at anchor in Mahurangi (details to follow).

Those not overnighing on board a boat will be ferried back to Sandspit following the spit roast dinner – others spend night aboard in Mahurangi Harbour.

### Sunday 26 January 2020

**Option 1** Boats proceed to Kawau Island for picnic lunch before proceeding homewards with overnighers being delivered to Sandspit.
